HI AMAZING SOUL

I'm Gabriela

Founder of Gaye Del Sol Studios
& The Sol Share System.

I'm a multidisciplinary designer + marketing strategist turned certified Life & Success Coach, NLP Practitioner and Clinical Hypnotherapist on a mission to help creatives find clarity in life and business.

In just one year, my first ever business was able to generate \$10k months through Instagram alone. No paid ads, complex marketing funnels, and with less than 2k followers. The prompts inside are some of the exact ones I use to share my story and organically attract my own dream clients!

I know what it's like...

to feel stuck trying to consistently create high quality content that tells your story authentically and aligns with your soul....while also attracting, educating, engaging & inspiring your audience to take action on your offers.

The average attention span on social media is super short, (less than 8 seconds!) which means the first line needs to be attention grabbing enough to keep your readers hooked until the end! And as you know, that takes a lot time and thoughtfulness.

On the next page, you will find 22 prompts to spark your creativity and help you write captivating content to convert your audience into paying clients. Ideal for helping you batch create a months worth of amazing content, saving you valuable time and energy to spend in your zone of genius!

Plus a bonus!

As a bonus, I'm including fun CTA's for you to plug in at the end of your posts to keep your audience engaged, taking action on your offers, and sharing your ideas with even more amazing people!
